

Scandinavian Star Strip Preparation

Cut 4 strips @ 4" x 14" Use 1, 2, 3 or 4 different fabrics (DO NOT cut on the bias)

Fold Strips in half lengthwise and press. Starching is highly recommended to get crisp edges.

Open up and press raw long edges to the center fold, then press folded long edges together.
(The strip will look like double fold bias tape.)

Strips should now measure 1" x 14 "
